March 6, 2005

Dear Old Boy and Well wisher,

Sub: Construction of Mayo College Golf Course

As you are aware, it has been our endeavour to upgrade facilities and infrastructure to make certain that **Mayo College** sets standards for others.

In the last 3 years, we have witnessed a major upgradation which was possible by the joint efforts of the entire **Mayo Fraternity** as also that of well wishers. This includes the **IT Network set up in 2003** which undoubtedly, is among the best in the Country. 2004 saw the construction of the **Polo Ground** and Mayo getting back this sports facility after almost 60 years. In both these projects, the **Old Boy Fraternity** played a major role.

As a part of our on going efforts, this year we plan to set up the **Mayo College Golf Course** to come up. This was discussed in the **General Body Meeting of the OBS** held on 4th December, 2004. The **OBS had agreed to fund** this Project and it is in this regard that I seek your assistance. The details of the project are as under :-

- a) It is planned to construct the 9 hole Golf Course in the South-Western portion of the School, along the boundary. The lay out of the Golf Course is attached. This area has been cleaned and the initial lay out has been conceived by Mr. Ranjit Nanda, a renowned Golf Course Designer.
- b) Along with the Course lay out, there is plan for water harvesting and digging of ponds to ensure that the ground water level comes up and aquifers are re-charged.
- c) It was decided that a **major donation of Rs.25 (Twenty Five) lacs** would entitle the Old Boy/Well wisher to have the Golf Course named after the Donor.
- d) Each fairway/fairways can be contributed for by various Chapters or individuals and be named in a similar manner. Thus, if MAASI chose to give money for a Fairway, the Fairway would be called the 'MASSI Fairway' or as desired by them.

-2-

- a) The initial donations for setting up a fairway are as under. This is an approximate estimate and there may be marginal increase:-

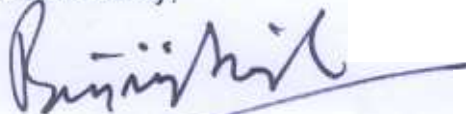

<u>Fairway</u>	<u>Donation</u>
(i) Par 3	Rs.3 lacs
(ii) Par 4	Rs.4 lacs
(iii) Par 5	Rs. 5 lacs

The details of the project are being placed on the Mayo College website – www.mayocollege.com. We wish to start work immediately, take advantage of the monsoon and thus try and ensure that the Golf Course is ready by Prize Giving. For this it is essential that the funds come at the earliest.

May I, on behalf of the **Board of Governors** and the **School Fraternity** request your assistance in not only ensuring that the Golf Course comes up, but also that the **Mayo College sets standards** for others and becomes the **First School in India if not the World to have its own Golf Course**.

Thanking you,

Yours faithfully,

Maharao Brijraj Singh of Kotah
