Dear

You will be happy to note that Mayo College is constructing a Golf Course. In all major developments in the School, it is only appropriate that the Alumni raises funds for betterment of the School.

In this connection, I am enclosing a letter from the President of the General Council. I appeal to you all to raise adequate funds to complete the Project. I am sure you will appreciate that this will not only create a nursery for budding Golfers but will help in ecological conservation of the Campus.

I look forward to your support.

With best wishes,

Yours sincerely,

(Raghuraj Singh)
President.
