Before leaving for England, me, Jaideep Singh, Dhruvraj Singh, Devrat Singh and Gaurav Sehgal (Delhi) had to go through a tiring but efficient training camp where we were made more proficient in our Polo skills and also were made to practice siding on a mundane basis for fifteen days by the President's Bodyguards (PBG).

On 5th of July, we along with Col. Bhavani landed in London for The SUPA International Polo Test. In London, we were welcomed by Mrs. Lavinia Black, our organizer and Miss Kim, our escort for the whole trip.

Our place of stay was Siensester Polo Club which was a fifteen minutes drive from the polo field.

To get the feel of the horses and the ground, we had our first practice match with the Young England team. Though we lost the match but felt more confident than before for the coming official match against them.

Our main match was to be played on ground 2. Ground 2 is one of the most famous polo grounds of England and I am happy to say that we were really

very proud of ourselves when we made Mayo proud by beating the home team and the champions of the past seven years of the tournament by a difference of half a goal.

What followed our victory was celebration. We went sight seeing and got a glimpse of beach polo too.

After few days, when my teammates departed for home, I stayed back to play some more polo and was lucky to see the Gold Cup semifinals. I was also very fortunate to meet players like Fukundo Pierce [+10] and Gonzalito Pierce [+9].

My stay in England was very fruitful. I got a feel of the British culture. The trip gave me great experience and for all this I would like to thank Mr. Pramod Sharma, Mr. S. Bahaduri, Capt. B. Singh, my housemaster Mr. R. Gaur and my batch mates for supporting me throughout.

Shivdutt Singh stood first in the tough 40 km Endurance Riding held in Jodhpur. He overcame a horde of experienced riders from the Indian Army and Police.
