

Geography Society / Career Counselling

Geography Society registered 23 new members from class 7 for the year 2008-09. In the first meeting the teachers spoke about the aim and the goals of the society and the way the society would function.

In the subsequent meetings the boys were shown a number of slide shows and presentations on various topics like the Himalayan Mountain ranges and the Lakshadweep Islands. A slide show on SCUBA Diving in the Lakshadweep Islands by Mayo College boys was able to generate a lot of interest in the boys regarding the importance and need to preserve nature and enjoy its brilliance.

Teachers-In-Charge :

Mr. S. Kumar, Mr. Akash Pradhan, Mr. Yash Saxena, Dr. Roma Pradhan

Career Counselling

A team of Career Counsellors from the Institute of Career Studies, Lucknow conducted counselling sessions for Mayo Students from July 15 to July 18, 2008. Classes 9th, 10th, 11th & 12th participated in the programme. Aptitude test, notes to myself and advanced career planner tests were administered to the students. Then individual counselling was done to all the participating students.

- Asian Institute of Development & Academics, Jaipur delivered a presentation on different avenues in aviation sector to class 12th.
- Ian Chambers of University of Cambridge gave a talk to class 12th on education overseas.
- Andrew Disbury, Director of Admissions, guided students regarding admissions in University of St. Andrews, UK.
