Museum

The Mayo museum, one can proudly say, is one of the finest school museums of the world. There is a rich and valuable collection of old paintings, sculptures, photographs, coins, natural history section, eggs, fossils, stuffed birds and butterflies etc.

We are thankful to all the donors who are constantly presenting the museum with valuable items. Mr. and Mrs.

Peter Huber of Germany visited the school museum and donated assorted collection of coins with old and new German currency notes.
