

SUB : THANK YOU

17 Aug 11

Dear Parents,

1. I write this mail to the Parents / Guardians of boys who were with us during the 65th Independence Day celebrations and the NCC Parade.
2. Our grateful thanks for your visit and for being an excellent audience. We appreciate that despite the light showers at the start of the Parade you all sat through the function in the open. It sent the right signal to all who were present for such an occasion.
3. Our encouragement during the parade, speeches and songs sung by the choirs meant a lot to all the boys, staff and our karamcharies.
4. I also take the opportunity to thank you for your valuable inputs on improvements needed in the School. While some of them could be addressed in the near future, the others will be addressed as part of the School's perspective plan. May I request you to just pen them down and send them to me in point form. You may not get a reply to your mail but let me assure you that your suggestions would be given due consideration.

With best wishes and warm regards,

Your's sincerely,
